From the Chairman's Desk....

“Education is the manifestation of perfection already in mankind” – Swami Vivekananda.

Sakthi College of Arts and Science has now in its full bloom with the abundant blessings of Arutchelvar Pollachi Mahalingam Ayya. Hailing from an Agrarian Society and having been a rank holder and gold medalist in my M.B.B.S., M.S., Degree Programmes and with 3 decades of rich experience in medical profession, constructing a society with rich educational foundation has been my motive. My focus is on imparting quality education to the rural young women in and around Dindigul District and thus empowering them. Having been launched in 2009, Sakthi College of Arts and Science have been striving to stretch its arms towards perfection by aiding the young women students to excel in all the fields of academics, co-curricular activities as well as learning life skills. Along with education, imbibing human values like compassion, courage, humility, integrity and reliability is the prime motto of this institution.

With the continuous support extended by you, we are sure to reach the pinnacle of excellence.

From the Vice-Chairman's Desk....

With the best academic and professional achievement in my medical career, I believe education has the power of shaping the future of women and thus change their lives towards betterment. The invincible weapons of a woman to face the challenges of life are the best education, economic independence, self-reliance, self motivation and confidence.

The long cherished dream of our family has been offering the best education, especially to the women folk of our surrounding community. Sakthi Group of Institutions have been launched in the geographical site of Oddanchatram so that the learners with the schooling in government schools will feel easy and comfortable in availing the educational service, offered by the institutions. It is quite evident that Sakthi College of Arts and

Science has been fulfilling the educational needs of the young women of our locality and makes them empowered.

Our journey of education will continue with many success stories.
