

7.1.5 GREEN CAMPUS INITIATIVES

Sakthi College of Arts and Science can, in other words, be called 'Green Campus'. It is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices.

Restricted Entry of Automobiles

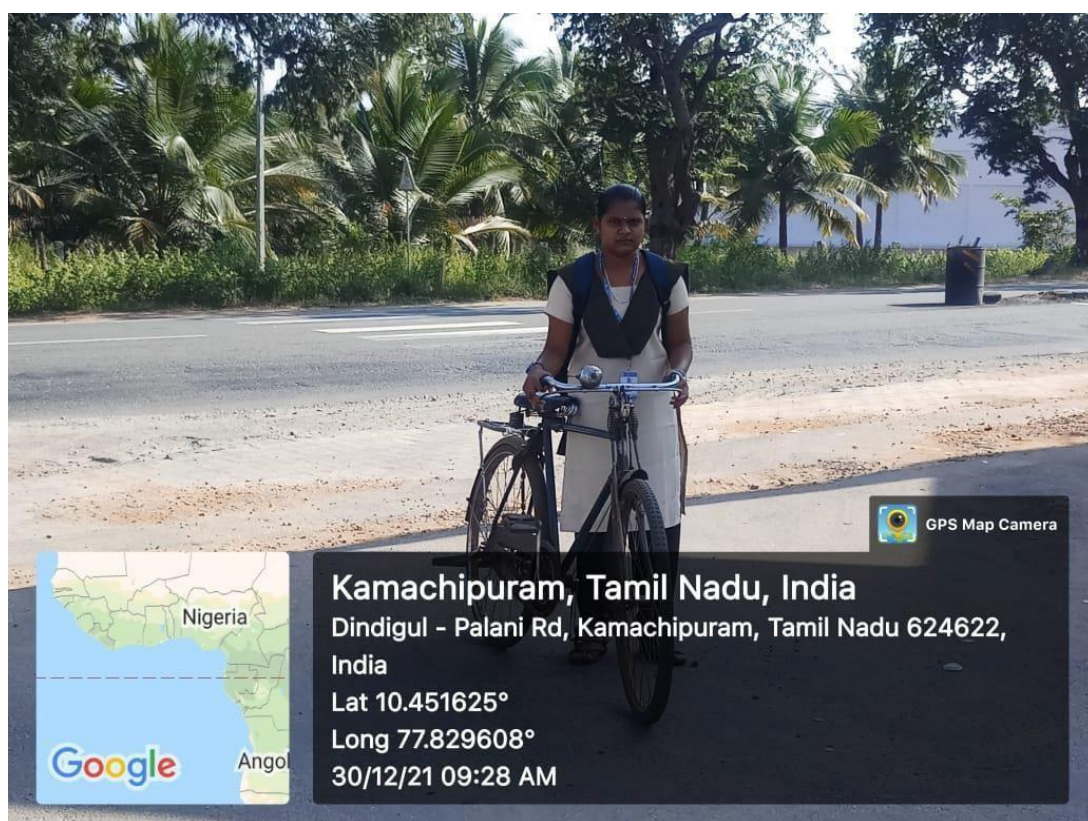

Any visitor or outsider coming to the college on purpose is stopped at the gate and instructed to park the vehicle at the allotted parking area near the compound wall. This practice preserves the purity and serenity of the college campus, saving it from air pollution.

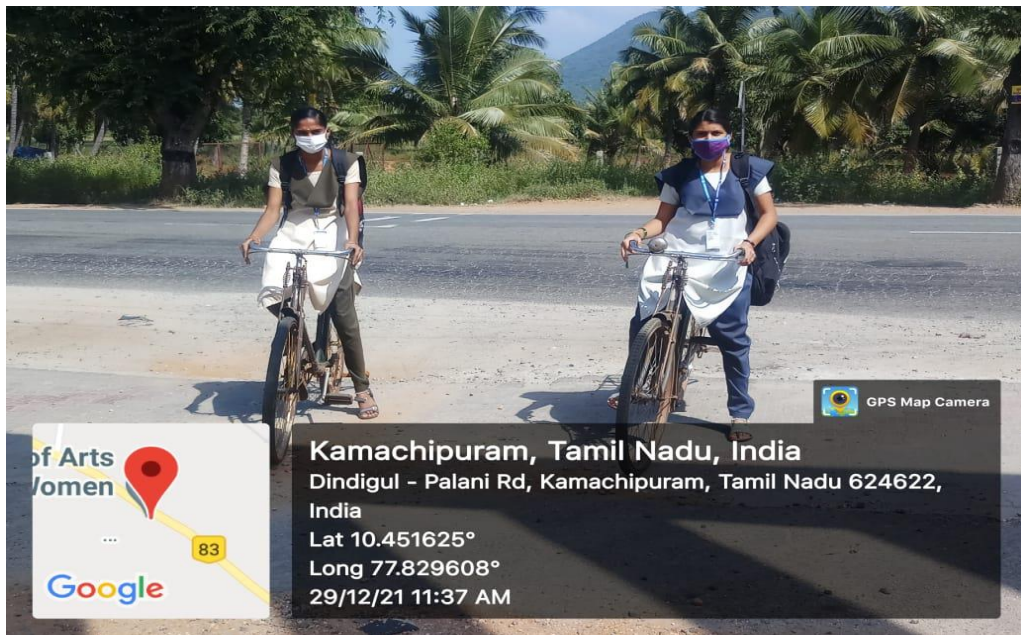

Use of Bicycles

The Management of the college has facilitated the coming of the staff and the students to the college by providing transport service to all the interior areas of the town. So, individual vehicle users are less in number. In addition, the college encourages the students to come by bicycle.

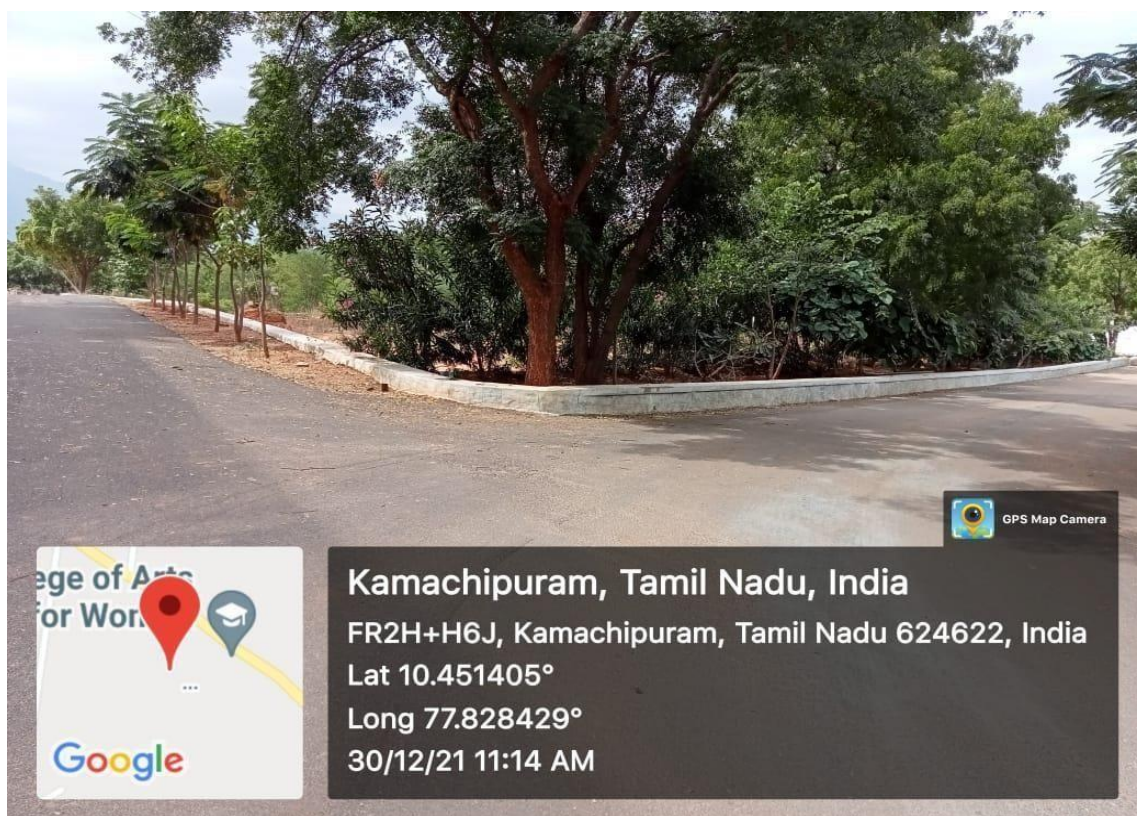

Pedestrian Friendly Pathways

The college campus has sufficient space for parking vehicles of staff and students. Roads inside the campus are well maintained. Pedestrians can walk safely through the campus through walk friendly pathways. Entry of vehicles inside the campus is restricted. Security people are assigned duties on every turn and crossing to the campus.

Ban on Use of Plastics

The staff and the students of the college are well aware of the hazardous results of using plastics. The college follows Zero Waste Policy, which strongly recommends 'Reuse and Recycle'. The picture shows the students in a class with washable and reusable water bottles.

The NSS and the YRC units of the college conduct Rallies and Awareness Programmes in and around

the college, insisting the avoidance of plastic materials and the use of materials made of other harmless materials.

Landscaping with Trees and Plants
